

ARAVINTHAN R

Senior Procurement & Sourcing Specialist | SAP Ariba & Coupa Consultant | Strategic Sourcing | Procurement Analytics & Automation

Coimbatore, Tamil Nadu, India | +91 78119 07805 | aravinthanspm@gmail.com | [Linkedin](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Procurement and sourcing specialist with 8.5+ years of experience across manufacturing and Tier-1 procurement consulting (GEP Worldwide, a Gartner Magic Quadrant leader). Delivers end-to-end sourcing, SAP Ariba/Coupa consulting, and strategic category management for Fortune 500 clients, with a consistent record of measurable results: 99% PO accuracy, 90% catalog automation, and PR error rates halved through process redesign. Differentiated by hands-on digital fluency — building Power BI dashboards, Power Automate workflows, and Microsoft Copilot AI agents that reduce manual procurement effort and speed up client decision-making. Recognized with a GEP Spot Award, two Outstanding Contribution Awards, and selection as an AI Hackathon contributor.

CORE COMPETENCIES

- Strategic Sourcing & RFx/eAuction Management
- MRO & Capex Procurement
- Supplier Evaluation, Negotiation & Development
- Cost Optimization & Savings Tracking
- Power BI & Advanced Excel (VBA/Macro)
- SAP Ariba & Coupa Consulting
- Procure-to-Pay (P2P) & Source-to-Pay (S2P)
- Contract & Catalog Management
- Spend Analysis & MIS Reporting
- Power Automate & Microsoft Copilot Agents

PROFESSIONAL EXPERIENCE

Senior Purchasing Specialist – Procurement Operations (P2P) Jun 2024 – Present
GEP Worldwide | Coimbatore, TN

GEP Spot Award | Outstanding Contribution Award (Aug 2024 & Q3 2025) | AI Hackathon Contributor | Silver & Bronze Certifications (Q3 2025)

- Ran end-to-end sourcing for Engineering Equipment, Capex, and MRO categories — supplier evaluation, negotiation, and contract support — supporting client cost, quality, and continuity (QCLDM) targets.
- Led RFP/RFQ/eAuction competitive sourcing events across SAP Ariba, Coupa, and GEP Smart, driving cost reductions tracked in the client Savings Database.
- Sustained a 99% PO accuracy rate converting PRs to POs within SLA, through structured daily quality audits.
- Automated catalog uploads via Power Automate, lifting daily upload completion to 90% and cutting manual processing time.
- Built Power BI dashboards for daily/weekly/monthly MIS — spend, supplier KPIs, cycle time, and compliance — used directly in client decision-making.
- Designed an AI-powered File Consolidation Workflow for GEP's 2025 AI Hackathon, automating a previously manual document-handling process.
- Mentored junior sourcing team members, reducing PR validation errors from 2% to 1% through structured knowledge transfer.
- Served as single point of contact for global stakeholders across the order lifecycle, resolving delivery, technical, and commercial issues with zero escalations.

Procurement Engineer Dec 2020 – Jun 2024
Sodexo India Services Pvt Ltd (Client: Alstom Transport India Ltd) | Coimbatore, TN

Reward & Recognition – IRIS Audit | Reward & Recognition – Inventory & Spares Management

- Managed end-to-end procurement of MRO, spares, and engineering materials, ensuring uninterrupted manufacturing supply.
- Ran RFQ processes from Purchase Indents/BOM and led technical, commercial, and quantitative supplier evaluations across L1/L2/L3 categories under the QCLDM framework.
- Negotiated commercial terms and partnered with Finance on budget visibility, advance payments, and GST/invoice reconciliation.
- Coordinated logistics and QC inward inspection, maintaining supply continuity and quality compliance.

Procurement Associate

Nov 2018 – Dec 2020

Sodexo India Services Pvt Ltd (Client: Ashok Leyland Unit-II) | Hosur, TN

- Owned the full P2P cycle — requisition, sourcing coordination, order placement, GRN, invoice verification, and payment follow-up — with full policy compliance.
- Prepared and maintained budgets for critical spares, tracking commitments, actuals, and variances for Finance and Operations stakeholders.
- Partnered cross-functionally with Operations, Finance, and Suppliers to resolve issues and improve cycle time.

Engineering Apprentice

Jul 2017 – Jul 2018

C.R.I Pumps Private Limited | Coimbatore, TN

- Managed PRs and POs for indirect materials and spares, and handled inventory control including stock monitoring, replenishment planning, and daily MIS reporting.

KEY ACHIEVEMENTS

- GEP Spot Award and two Outstanding Contribution Awards (Aug 2024, Q3 2025) for performance and team impact.
- 90% catalog upload automation rate achieved via a self-built Power Automate workflow in Coupa.
- 99% sustained PO accuracy through structured daily quality audits.
- PR error rate cut from 2% to 1% through mentoring and knowledge transfer to junior team members.
- Zero client escalations maintained across all engagements through proactive stakeholder management.
- IRIS Audit Recognition and Inventory & Spares Management Award at Sodexo/Alstom.
